

Vinyl Casement WinDows

Tested: Impact/Security or Non - Impact Rated.

WinDoor
INCORPORATED

High Performance Doors & WinDows

THE POSSIBILITIES ARE ENDLESS.

The V-600 Casement & V-630 Series Fixed Vinyl u-PVC WinDows...

are manufactured with Impact or Non-Impact glass options and are nearly maintenance free using u-PVC vinyl which is guaranteed not to rust, peel, and chip or need painting.

The Casement frame offers a 90 degree opening for ventilation from inside the home. Built with thermally-fused welded frames and aluminum reinforcements.

The V-600/ 630 Series Casement WinDows are designed for superior performance in any kind of weather.
(See Performance At-A-Glance on back for details)
